2019 GOLF OUTING & HUMANITARIAN DINNER

Join us for MRCC's 28th Annual Golf Outing & Humanitarian Dinner, Monday, September 16, being held at the Ramsey Golf and Country Club. Audrey Meyers, President & CEO of The Valley Hospital and Valley Health System, is our 2019 Humanitarian of the Year and will be honored at the evening program. Audrey has chosen The Valley Hospital Foundation to receive the charitable donation from this event. The Foundation's purpose is to financially support Valley Health System's vision through philanthropy.

Golf and Dinner Sponsorships are still available. We would like to thank fellow members and local businesses who have already committed to a sponsorship and hope you will join them. Sponsorships are a great way to get maximum visibility at the event and show your support for Audrey, The Valley Hospital Foundation and the MRCC.

Golfers enjoy a hot breakfast, morning putting and chipping contests, and the opportunity to win prizes throughout the golf course. It's a fun day packed with food, beverages and good times with friends and colleagues. If you don't know how to golf and want to learn, we encourage you to try our golf clinic.

We welcome donations of prizes, promotional items for the goody bags and invite you to take out an ad to show your support of our amazing Humanitarian and the Valley Hospital Foundation. The journal is also a great way to advertise your business.

Please make sure that you register to join us, as we expect this to be a sold out event! More information and registration is available at mrcc.biz/golf.

PRESIDENT'S MESSAGE

Dear Friends and Colleagues,

I hope the Summer is treating you well and that you have been able to find time to get out of the office and enjoy the warm weather. For me, summer is a time to sit back, relax, and plan for the 4th quarter.

While many take vacations in the Summer, the MRCC is still hard at work producing quality events for our members. August holds some great opportunities to network, including our Master the Mic breakfast on August 7th and numerous WIBI events.

To cap off the summer, remember to mark your calendars for our 28th Annual Golf Outing and Humanitarian Dinner – Monday, September 16th. This year's Humanitarian is Audrey Meyers, President and CEO of Valley Health Systems and The Valley Hospital. Please join us as we support The Valley Hospital Foundation. This is a great way to gain exposure to your business while enjoying a fun-filled day with friends and colleagues.

I look forward to seeing you soon!

YPN CHARITY DRIVE

The MRCC Young Professionals Network is excited to announce the kickoff of our 2019 charity drive. This year we are donating to Eva's Village, a non-profit member of the Chamber focused on providing support to thousands of men, women, and children each year by addressing basic needs of food and shelter as well as complex issues around addiction, mental illness, and chronic homelessness. We hope you will find it in your heart to join our effort. The MRCC is running a collection drive for personal care & toiletry items throughout July and will be delivering the donations in August.

Best ways to get involved:

- Personal donation of items -- a collection box in your community or office goes a long way in providing support!
- Monetary donation. The full amount of your donation will be used to purchase items for donation.

\$100: Your company (or personal) name will be printed on the flyer

\$250: Your company logo will be printed on the flyer (5 remaining)

Please reach out to MRCC with any questions. Thank you for taking the time to positively impact the lives of those in need.

WHAT OUR MEMBERS ARE SAYING

“As the Executive Director of the Valley Center for Health and Wellness, my Center was recently chosen to host a large corporate event at our facility. With only a few short weeks to plan, and needing hotel arrangements, catering and entertainment, I had a challenge on my hands. Being a member of the MRCC enabled me to quickly reach out to other members and create a host of options for the catering, entertainment and hotel stay. However, the most important aspect of the experience was the positive attitude, the customer service and the willingness to help put together a fantastic event from each of the MRCC members with whom I spoke. The event was well attended and received much praise from the attendees, and MRCC members played an important role in our success.”
